POTOCO ITALY

POTOCO ITALY

— Potocco è un'azienda a conduzione familiare fondata nel 1919, specializzata nella produzione di arredi indoor e outdoor per la casa e il contract. Dopo un secolo di storia tutte le fasi produttive sono ancora realizzate internamente, unendo i vantaggi di una produzione industriale all'avanguardia con un know-how artigianale e con la cura del dettaglio tipica dell'alto artigianato Made in Italy. Un'ampia proposta di prodotti a catalogo, unita alla capacità di personalizzazione e alla realizzazione di progetti completamente su misura, rendono Potocco il partner perfetto per tutti i progetti contract: dall'hospitality al navale, dai progetti residenziali agli spazi pubblici.

**UNA QUALITÀ SENZA COMPROMESSI
UNCOMPROMISING QUALITY IS OUR MISSION**

Potocco is an Italian family-run company established in 1919 specializing in indoor and outdoor home and contract furniture. After a century of history, all the manufacturing processes are still in-house, combining cutting-edge industrial production and

Italian fine craftsmanship. Its wide range of products, including custom and bespoke furniture, makes Potocco the ideal supplier of contract furniture for the hospitality and nautical sectors and furnishings for residential and public spaces.

— Il nostro punto di forza è da sempre la grande capacità di personalizzazione offerta al cliente: grazie a una produzione gestita internamente e all'abilità nella lavorazione dei materiali, siamo in grado di realizzare su misura ogni proposta, customizzandola sulla base di specifiche richieste.

Our strength has always been the great ability of customization offered to the customer: thanks to an internally managed production and to the ability to process materials, we are able to tailor each proposal, customizing it based on specific requests.

L'expertise maturata in oltre un secolo d'attività si manifesta nell'estrema attenzione per i dettagli, tipica della tradizione artigianale. I nostri prodotti da outdoor confermano l'estetica sofisticata e la cura sartoriale della nostra collezione indoor, grazie alla magistrale capacità nel selezionare e trattare i materiali destinati all'esterno: dal legno agli imbottiti, dai rivestimenti in tessuto al prezioso intreccio a mano.

The expertise gained in more than a century of activity is manifested in the extreme attention to details, typical of traditional craftsmanship. Our outdoor products confirm the sophisticated aesthetics and sartorial care of our indoor collection, thanks to the masterful ability to select and treat materials for outdoor use: from wood to upholstery, from fabric upholstery to precious hand weaving.

Bespoke
is
our
state
of
mind.

— La componente artigianale del brand e il controllo sull'intera filiera produttiva, permettono alla fantasia dei progettisti e dei committenti di viaggiare senza limitazioni, di vedere i progetti prendere forma e di contare su un servizio clienti attento ed estremamente qualificato. Cuciti addosso come abiti di sartoria, gli arredi Potocco possono essere customizzati cambiando dettagli, finiture, tessuti e materiali.

THE TAILORING INDUSTRY AND THE BESPOKE

Potocco's artisanal flair and control over the entire manufacturing process allow designers and clients to unleash their creativity while relying on highly qualified

customer service and seeing their projects come to life. Potocco furnishings can be customized by changing details, finishes, fabrics, and materials, just like a tailor-made suit.

Velis family

— Velis è un'ampia collezione di sedute pensata per rispondere alle diverse esigenze del vivere quotidiano. Syn

/ dining tables

— La collezione Syn indaga la relazione tra volumi multiformi che si incontrano, unendosi. Questa famiglia si declina in due tavoli da pranzo, con piano tondo e rettangolare, che vedono protagonista la base composta da un gioco di forme e materiali. La base rappresenta il cuore del progetto: due forme apparentemente lontane, un parallelepipedo e un cilindro, si intersecano tra loro creando un unico maestoso volume.

The Syn collection investigates the relationship between multiform volumes that combine to create a unique piece of furniture. This family is declined in two dining tables, with round and rectangular tops, whose protagonist is the base composed of an interplay of shapes and materials. The base represents the heart of the project: two seemingly distant shapes, a parallelepiped and a cylinder, intersect each other creating a single majestic volume.

Blossom family

— Famiglia dalle forme archetipiche, si caratterizza per i dettagli discreti e le proporzioni generose. Leggeri plissé, accennati come petali sulla parte interna dello schienale, contraddistinguono le sedute imbottite Blossom. Se sedia, poltroncina, poltrona lounge, divano e sgabello si distinguono per le increspature e la cucitura impunturata che ne impreziosiscono l'imbottitura rivestita in tessuto o pelle, il tavolo rivela, nella semplicità del disegno, attente lavorazioni artigianali.

Family with archetypal shapes, characterized by discreet details and generous proportions. Light pleats, hinted like petals on the inside of the backrest, distinguish the Blossom upholstered seats. If dining chair, dining armchair, lounge armchair, sofa, and stool identify themselves by the pleats that embellish the upholstery, covered in fabric or leather, the table reveals, in the simplicity of its design, true craftsmanship.

Ropu family

— Dalle ispirazioni esotiche, Ropu si distingue per la bordatura intrecciata a mano in cordino di cuoio e cordino “Gassa”, che corre lungo il perimetro creando una cornice per top in marmo, vetro temperato retro verniciato, grès porcellanato e hpl oppure soffici cuscini con profili a coda di topo. Con base a quattro gambe in metallo, la collezione è disponibile nella versione tavolino basso, con piano ovaloide, alto, con piano tondo, e pouf ovaloide, da abbinare in libere composizioni.

With exotic inspirations, Ropu stands out for its hand-woven edging in hide leather rope and "Gassa" rope, which runs along the perimeter creating a frame for marble, tempered back-painted glass, laminated porcelain and hpl tops or soft cushions with mousetail cord profiles. With a four-legged metal base, the collection is available in the low coffee table version, with ovaloid top, high, with round top, and ovaloid pouf, to be combined in free compositions.

— Un universo racchiuso da elementi architettonici lineari, una struttura onirica sospesa tra il surrealismo e la metafisica. Un edificio simbiotico, che vacilla tra passato e futuro, interno ed esterno, ordinario e straordinario.

A universe enclosed by linear architectural elements, a dreamlike structure suspended between surrealism and metaphysics. A symbiotic building, wavering between past and future, interior and exterior, ordinary, and extraordinary.

Otab

/ dining tables

— Otab è una proposta che gioca sulle proporzioni: al volume imponente della base fa da contrappunto l'essenzialità del piano. Un monolite materico che nasce dall'accostamento di due forme pure e geometriche: il cerchio e il cilindro. Il prezioso dettaglio in ottone brunito alla base del tavolo ne sottolinea le linee aggraziate e il profilo sinuoso.

Otab is a proposal that plays on proportions: the imposing volume of the base is counterpointed by the essentiality of the top. A material monolith that arises from the combination of two pure and geometric shapes: the circle and the cylinder. The precious bronzed brass detail at the table's base underlines its graceful lines and sinuous profile.

Avant

/ storage furniture

— Avant è una famiglia di contenitori contraddistinti da linee rette e profili rigorosi, animati dal movimento naturale del legno. Elemento funzionale ed estetico distintivo del progetto è il bordo superiore massellato delle ante battenti e dello schienale, che sovrasta lievemente il piano, consentendo la presa e l'apertura delle ante senza l'utilizzo di maniglie. All'interno, ripiani in vetro retro-verniciato nero temperato e su richiesta cassetti centrali per la credenza, e in alto per la madia. Una proposta che combina tradizione a dettagli industriali ricercati.

Avant is a family of containers characterized by straight lines and rigorous profiles, animated by the natural movement of wood. A distinctive functional and aesthetic element of the project is the solid wooden upper edge of the hinged doors and backrest, which slightly overhangs the top, allowing the doors to be gripped and opened without the use of handles. Inside, shelves in black back-painted tempered glass and on request central drawers for the cabinet, and at the top for the sideboard. A proposal that combines tradition with refined industrial details.

Lars

/ dining chairs

— La sedia e la poltroncina dining imbottite Lars si contraddistinguono per il particolare disegno delle gambe che senza soluzione di continuità sembrano scaturire dalla seduta e dallo schienale. Completamente rivestita in tessuto o pelle, Lars propone l'esito di una riflessione sul tema della seduta mono materica caratterizzata da una confezione sartoriale che veste perfettamente la struttura, interamente stampata in poliuretano espanso ignifugo, che cela al suo interno un'anima in metallo.

The Lars upholstered dining chair and dining armchair are characterized by the particular design of the legs that seem to flow seamlessly from the seat and backrest. Fully covered in fabric or leather, Lars proposes the outcome of a reflection on the theme of the mono-material seat characterized by a tailored upholstery that perfectly dresses the structure, entirely molded in fire-retardant polyurethane foam, hiding a metal core inside.

Léna family

— Disponibile nelle versioni sedia, poltroncina e poltrona lounge, fissa con gambe in massello di frassino, e girevole con base centrale a quattro razze in alluminio, Léna propone una rilettura in chiave minimal contemporanea della classica seduta a pozzetto. Grazie alla particolare costruzione dello schienale, Léna elimina quasi completamente le cuciture creando una scanalatura che rende particolarmente funzionale la realizzazione della versione bimaterica.

Available in the dining chair, dining armchair, and lounge armchair versions, fixed with solid ash wood legs, and swivel with four-star central base in aluminium, Léna proposes a contemporary minimal reinterpretation of the classic tub chair. Thanks to the particular construction of the backrest, Léna almost completely eliminates the seams, creating a groove that makes the realization of the bi-material version particularly functional.

Memory

/ dining armchair

— La poltroncina Memory è un omaggio alla lavorazione tradizionale del legno che contraddistingue da sempre l'azienda. L'ergonomico schienale, che sembra appoggiarsi alla struttura in massello di frassino, fa di Memory un arredo versatile e ideale per tutti gli ambienti della casa, così come per un ufficio o luoghi pubblici dedicati all'accoglienza. Memory è disponibile nei tessuti e pelli a collezione.

The Memory dining armchair is a tribute to the traditional craftsmanship that has always distinguished the company. Elemento di grande preziosità l'intreccio in canna, disponibile per sedute e divano, che crea una fitta trama donando un tocco di freschezza ed unicità ad ogni interno domestico.

Dance

/ pouf

— Partendo da una struttura a base quadrata, il pouf Dance abbandona la forma classica per trasformarsi in una scultura dinamica, in cui il movimento che lo caratterizza prende vita a partire dal rivestimento in tessuto o pelle e dalla torsione dell'involucro.

Starting from a square-based frame, the Dance pouf abandons the classic shape to become a dynamic sculpture, in which the movement that characterizes it comes to life starting from the fabric or leather upholstery and the twisting of the casing.

— Torso è una famiglia di sgabelli up&down e tavoli caratterizzati da incroci di legno che si ergono su delicati piedini metallici. Un progetto al tempo stesso essenziale e sofisticato, un divertissement con cui l'azienda esprime liberamente la maestria nella lavorazione del legno piegando il materiale alla propria volontà. Gli sgabelli, dal design moderno e minimale, si adattano ad ogni contesto domestico così come in bar e ristoranti.

Torso is a family of up & down stools and tables characterized by wooden crossings that stand on delicate metal feet.
