POTOCO ITALY

— Potocco è un'azienda a conduzione familiare fondata nel 1919, specializzata nella produzione di arredi indoor e outdoor per la casa e il contract. Dopo un secolo di storia tutte le fasi produttive sono ancora realizzate internamente, unendo i vantaggi di una produzione industriale all'avanguardia con un know-how artigianale e con la cura del dettaglio tipica dell'alto artigianato Made in Italy. Un'ampia proposta di prodotti a catalogo, unita alla capacità di personalizzazione e alla realizzazione di progetti completamente su misura, rendono Potocco il partner perfetto per tutti i progetti contract: dall'hospitality al navale, dai progetti residenziali agli spazi pubblici.

Il dialogo armonioso tra gli oggetti e la natura circostante prende forma in un racconto composto da sette episodi. La vita all'aria aperta diventa simbolo di un nuovo modo di abitare.

The harmonious dialogue between the objects and the surrounding nature takes shape in a story made of seven episodes. Outdoor life becomes a symbol of a new way of living.

— Il cielo limpido del giorno cede il passo alle sfumature tenui della sera, la materia si colora dei toni caldi del tramonto. Lentamente sagome e profili si fondono con l'orizzonte trasformandosi in un corpo unico dai contorni sbiaditi, aspettando l'alba di un nuovo giorno.

The clear daylight surrenders to the soft shades of the evening, the matter is infused with the warm tones of sunset. Silhouettes and profiles slowly merge with the horizon, shaping into a single body where outlines are faded, while waiting for a new dawn.

Cut family

— La famiglia Cut è progettata con l'idea di creare una collezione completa di sedute avvolgenti, leggere e minimali per gli spazi da vivere all'esterno. Composta da bergère, poggiatesta, sedia, poltroncina e sgabelli, la famiglia Cut prende forma da una struttura in tondino d'acciaio verniciato a polveri epossidiche, che disegna la silhouette armoniosa e longilinea di gambe e seduta, e da un guscio intrecciato a mano in fettuccia di gassa.

The Cut family is designed with the intention of creating a complete collection of embracing, light and minimal seats for outdoor living spaces. The collection is made of bergères, foot stools, chair, lounge armchair and stools. It takes shape from a steel rod structure painted with epoxy powders – which designs the harmonious and slender legs and sea – and from a hand-woven shell in beige “Gassa” rope.

Vela family

— La famiglia Vela, composta da sedia e poltroncina dining impilabili, poltrona lounge, sgabelli a due altezze e divano a due posti, è la perfetta sintesi tra design e maestria artigianale: all'agile struttura in tubo di metallo verniciato con gambe a slitta è abbinato un intreccio realizzato a mano in cordino nautico o pvc che ne costituisce l'elemento di unicità.

The Vela family, composed of stackable dining chair and dining armchair, lounge armchair, two-height stools and two-seater sofa is the perfect synthesis between design and craftsmanship: the agile structure in painted metal tube with sled legs is combined with a handmade weaving in nautical cord or pvc that constitutes the element of uniqueness.
